

## Friends of Exmouth in Bloom 2018

**Exmouth in Bloom** are currently preparing the launch of their annual 'Friends Group' fund raising campaign. Last year we recruited 233 members and raised £2296, which contributed towards the cost of flowers, shrubs, plants and compost in and around Exmouth.

Since the Group started in 2011 we have raised, in total, the magnificent sum of £11,240 from Friends subscriptions and many generous extra donations.

Exmouth in Bloom, along with their loyal group of helpers, work as a team to make a positive difference to our surroundings by producing high quality floral displays for the benefit of the community and to attract more visitors to the town.

If you have not yet become a member please join the Friends Group and help to raise much needed funding towards the cost of flower displays and hanging baskets in Exmouth. The Bloom committee would love to see more local Businesses joining us.

The fee to join the Friends Group is £5 a year for a personal membership and £10 for a business, group or organisation. You will receive a membership card and two newsletters a year telling you about our projects and how we spend the Friends money.

From the **1<sup>st</sup> of March** application forms will be available from the following outlets:- The Town Council Office in the Town Hall, Library, Tourist Information, Kings Garden & Leisure Centre and from our web site, [www.exmouthinbloom.org.uk](http://www.exmouthinbloom.org.uk). You can also read our latest Newsletter by following the link.

Membership renewal forms will be delivered towards the end of February/early March, please let Exmouth in Bloom know if you do not receive one. For any queries contact the Friends Group Secretary, Linda Dennis on 07879 654256 or email [l-dennis2@sky.com](mailto:l-dennis2@sky.com).
